Nicola Walters is the Managing Director of Leading Edge Computers Broome.

She has owned/managed the business for 6 years. Prior to that she worked at Kimberley Tafe as an IT lecturer and at The University Notre Dame Broome as the IT support officer.

Leading Edge Computers Broome was awarded Store of the Year in 2014. It focuses on providing IT solutions to local businesses using the latest technology. To keep up to date with the latest technology, Nicola and her staff attend upskilling webinars, vendor conferences and complete industry qualifications. Technology is a great career for young people. Leading Edge Computers has two High school trainees currently working for them. Being able to provide work experience and career opportunities is an important focus of the business.

Nicola has lived in Broome with her family for the last 15 years. Over this time she has seen the town grow and provide consumers with more choice.

Nicola has been involved in local sporting clubs, business and school boards. She loves living in this town because of it's diversity and community spirit and feels that you get more out of living in a small town by getting involved.
