Department of Transport

Sue McCarrey, Deputy Director General

The Future of Ports in the Kimberley

Department of Transport

The vision for Western Australia's Ports

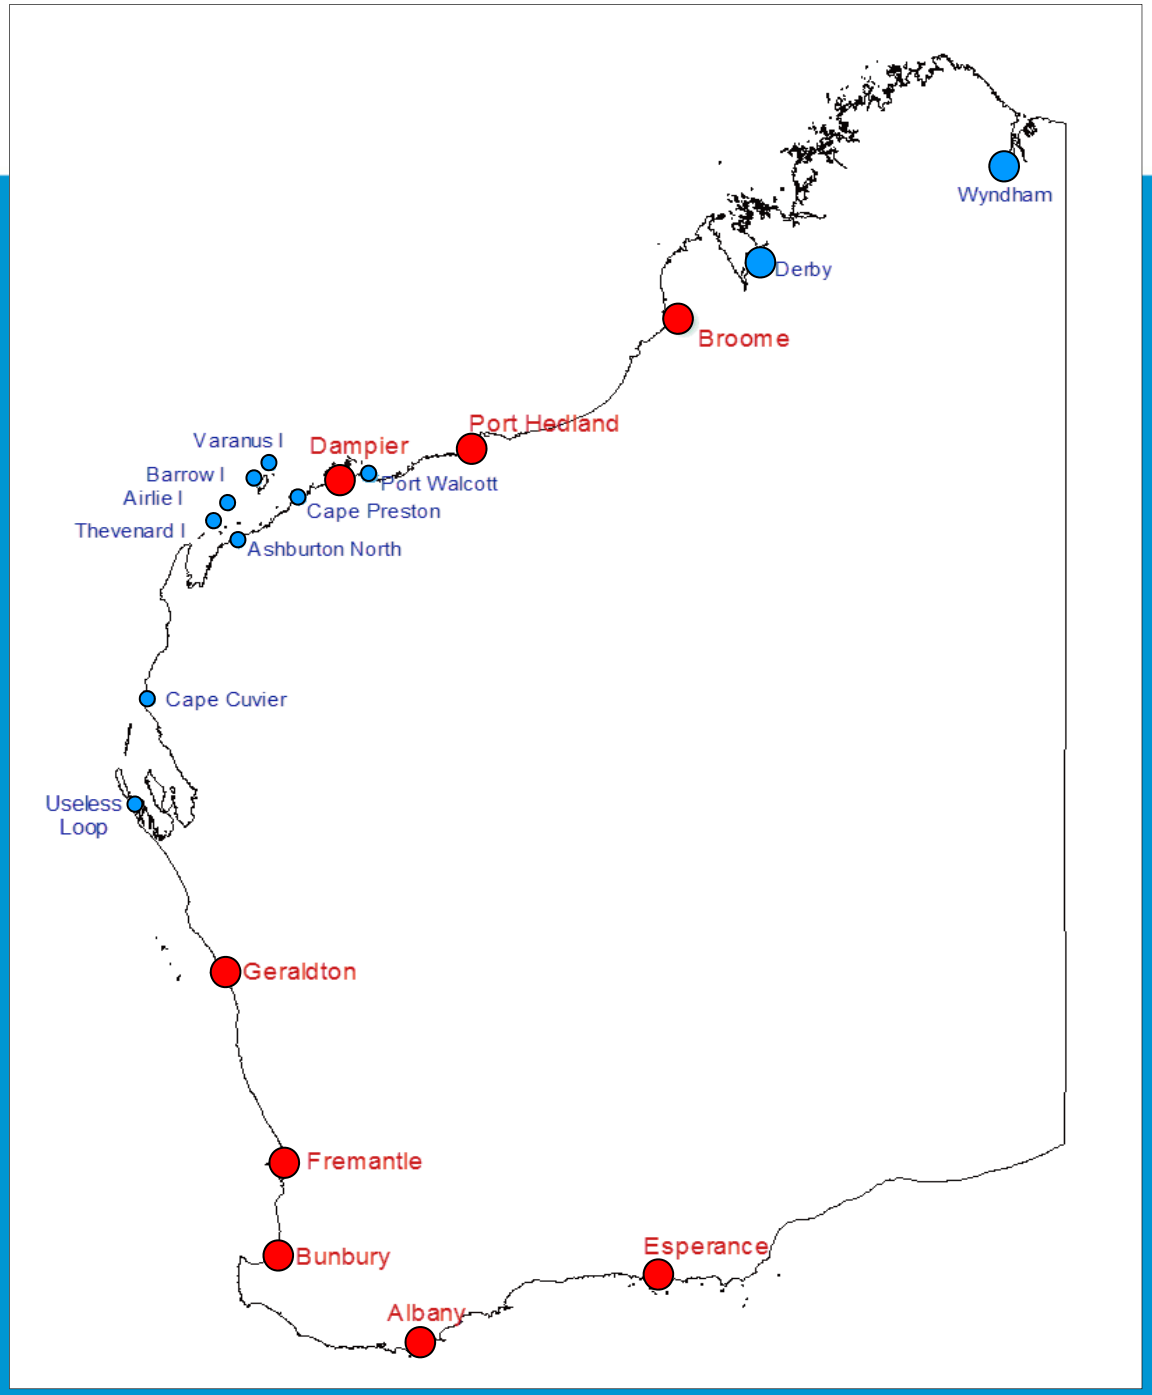
Since 2000:

- WA's exports increased from $25.4 billion to $112.2 billion
- WA's share of national exports increased from 26% to 46%
- WA exports more than Queensland, NSW and Victoria combined
- WA has avoided bottlenecks that afflict other states' ports

Department of Transport

WA Ports

- Port authority ports
- Ports managed by others



Department of Transport

The vision for Western Australia's Ports
